

The Tricar Group is an award winning developer leading the way in Southwestern Ontario as the premiere high-rise builder. We are passionate about our company, our work and our commitment to delivering outstanding condominium homes and rental apartments while delivering the best customer service.

We are currently looking for a
New Home Finishing Technician
to join our growing team!

This position reports directly to the Site Supervisor and has a direct relationship with the construction team and associated trades with a common goal to complete the timely and quality finishing of every condominium home. This is a permanent full-time position for current and future projects in London and also Sarnia, Guelph and Stratford areas.

As a Finishing Technician you will be responsible for providing quality finishing of suites and exemplary time management skills, ensuring that suites are completed in a professional and prompt manner to the highest quality standards. Applicant must have new home construction finishing experience, be skilled and have the ability to work well under pressure with steady and tight deadlines. Job functions include:

- Performing final finishing of newly constructed condominium homes
- Complete final finishing of suites as per colour sheets/change orders.
- General repairs that may be required on site including common element areas

Our ideal candidate will have experience in new construction finishing, work well in a collaborative and fast paced environment, and will demonstrate excellent judgment, good common sense, be a quick learner and have an eye for detail and quality finishing. Knowledge of Tarion Home Warranty guidelines is an asset.

The Tricar Group is a three time Tarion award winner for customer service; an award we are most proud of and that clearly defines the level of commitment and dedication we look for in our team members. You will work in a positive team environment and have the opportunity to forge a very rewarding and long term career.

We thank all applicants in advance for their interest. Those who meet the above requirements will be contacted for an interview.
